Dear Professor Lopes,

We are pleased to inform you that Luisa Magalhães has provided very valuable peer review services this year to the MIT Press. We consider high quality peer review to be essential to academic publishing process and we rely extensively on external reviewers. We are providing this notification to ensure that Professor Magalhães contributions to this process are appropriately recognized by the Catholic University of Portugal.

Sincerely,

Doug Sery | Senior Editor - New Media, Design, Digital Humanities, HCI
